End Application:

2320-01-565-3428; chassis, truck m1140a1

Length:

0.970 inches 3rd end

Connection Type:

Threaded external tube all ends

Thread Size:

0.437 inches all ends

Outside Diameter Tube Accommodated:

0.250 inches all ends

Product Name:

Bulkhead run tee

Special Features:

37 degree flared tube

Material:

Steel

Media For Which Designed:

Hydraulic fluid single response

Thread Series Designator:

Unf all ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
