**End Application:**

M8-light armored vehicle

**Connection Type:**

Internal quick disconnect all ends

**Maximum Operating Pressure:**

630.0 bar single response

**Product Name:**

Test coupling with protective cap

**Special Features:**

Connection thread m16 x 2

**Material:**

Steel

**Media For Which Designed:**

Hydraulic fluid, mineral base single response

**Surface Treatment:**

Chromate zinc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A531t0
