## NSN 4730-01-587-3670

Quick Disconnect Coupling Half - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4730-01-587-3670

End Application:
M8-light armored vehicle
Connection Type:
Internal quick disconnect all ends
Maximum Operating Pressure:
630.0 bar single response
Product Name:
Test coupling with protective cap
Special Features:
Connection thread m16 x 2
Material:
Steel
Media For Which Designed:
Hydraulic fluid, mineral base single response
Surface Treatment:
Chromate zinc
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A531t0
