End Application:

2320-01-552-7762

Product Name:

Manifold hydraulic return, wrecker

Special Features:

Anodized surface; 101.6 mm length; 76.2 mm width and depth

Material:

Aluminum alloy 6061

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A515e0
