**End Application:**

Lightweight water purification system

**Leg Length:**

5.940 inches inlet

**Connection Type:**

Grooved coupling all ends

**Nominallength:**

9.030 inches

**Product Name:**

Tee assembly, ocean intake

**Material:**

Plastic

**Media For Which Designed:**

Water 1st response

**Style Designator:**

Threaded internal

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A080b0
