Thread Direction:

Right-hand

Thread Series:

Npt

Product Name:

Cord grip

Special Features:

Shape: straight; for cord diameter: 0.75 to 0.88 inch; trade size: 0.75 inch; thread od: 1.05 inch; locknut material: steel; bushing material: neoprene; o-ring material: nylon; operating temperature range: negative 30 to 225 degree fahrenheit; compatible accessory mounting kit:

7466k38

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0
