Maximum Operating Temp:

140.0 degrees fahrenheit

Product Name:

Fitting, cleanout adapter with plug

Special Features:

Schedule: 40, color: white, pipe size: 2.000 inch , tees

Material:

Plastic polyvinyl chloride

Material Specification:

D1784 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A208a0
