Overall Length:

1.100 inches

Maximum Operating Temp:

2.0 degrees fahrenheit

Connection Style:

Flared

Maximum Operating Pressure:

2.0 kilograms per square centimeter

Material:

Stainless steel

Style Designator:

C42 plug, tube fitting flared (note: drilled hole is optional, should not be considered as a separating characteristic)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A208a0
