Maximum Operating Pressure:

10000.0 pounds per square inch

Product Name:

Hydraulic powered intensifier

Special Features:

Hydraulic flow 3-10gpm; length 10.500 in.; width 6.000 in.; height 5.000 in.; 3/8 in. Npt adpter to 8 sae port connection; use with rv06 rocker valve

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A515e0
