End Application:

Nha reverse osmosis quiet brine throttling valve; ssn782

Product Name:

Plug

Special Features:

Drive head style is woodruff key no. 404 iaw ansi b-72-967; connection type externally threaded 3/4-16unf-36 no gasket seal; o-ring groove 0.563 from top surface

Material:

Titanium

Media For Which Designed:

Water, salt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A208a0
