End Application:

Nha 4730-01-586-9905; new construction ddg1000

Perforation Diameter:

0.062 inches

Filtering Media Design:

Perforated

Product Name:

Strainer; inavy screen

Strainer Model Number For Which Designed:

852mm

Material:

Nickel alloy 400

Material Specification:

Astm b127, gr 400 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A523h0
