End Application:

Nha 1.5-352 1/2-00069agrff-12; new construction ddg1000

Perforation Diameter:

0.033 inches

Filtering Media Design:

Perforated

Product Name:

Inavy screen

Material:

Nickel alloy 400

Material Specification:

Astm b127 cl a assn standard single material response

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A523h0
