Quick Disconnect Coupling Half - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/4730-01-596-8344>

Overall Length:

2.890 inches

End Application:

NSN2-32-001-4476

Connection Style:

Push (external) second quick disconnect end

Connection Type:

External quick disconnect second quick disconnect end

Product Name:

Qc4 bulkhead body

Special Features:

To couple align stem with body. Push stem into body until it "clicks". To uncouple pull body sleeve toward stem; operating pressure coupled 3000 psig, bar 206

Material:

Steel

Thread Series Designator:

Npt second quick disconnect end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531t0
