End Application:

NSN6-11-501-5617

Product Name:

Elbow, air intake hose 5kw

Special Features:

Material hardness rating 60-75 durometer; id 50.8 pom 1.6mm

Material:

Rubber

Material Specification:

Saej200-3ca707a25b35c32f17z (epdm) z2 assn standard single material response

Media For Which Designed:

Air single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
