End Application:

NSN6-11-501-5617

Connection Type:

Butt weld pipe all ends

Nominallength:

50.8 millimeters

Product Name:

Fitting, pipe nipple 1/4 inch npt x 50.8 mm long

Special Features:

Item's id is 8.4mm; od is 13.7mm; thread length 10.16mm

Material:

Steel nipple

Material Specification:

American society for testing and materials assn standard single material response nipple

Style Designator:

Threaded and plain

Thread Series Designator:

Npt all ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
