End Application:

1740-01-575-5662

Tube Inside Diameter For Which Designed:

1.750 inches

Product Name:

Reducer, insert

Special Features:

Recommended for coolant and air applications only; product id number 77369392

Material:

Rubber

Material:

Rubber

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T385-j
