Inside Diameter:

Between 0.437 inches and 0.500 inches

Overall Width:

0.014 inches

End Application:

Life-support-system-pundurii

Fastening Device Type:

Plain hexagon head screw

Special Features:

Fits hose with 1/4 in. Id

Material:

Steel

Surface Treatment:

Chromate zinc

Style Designator:

Adjustable band

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A12700
