Mating End Identification:

3/4 inch am15-12

Connection Type:

Threaded internal hose first fluid end connection

Thread Size:

0.750 inches first fluid end connection

Material:

Steel socket

Style Designator:

Female coupling half

Thread Series Designator:

F-ptf first fluid end connection

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A531t0
