Overall Width:

72.0 millimeters

End Application:

Navy specific

Bodylength:

170.0 millimeters

Bodydepth:

60.0 millimeters

Product Name:

Strainer, strum box

Special Features:

Item connection accepts 38 mm hose id; strainer plate easily removable for cleaning; adjustable port mounting for convenient hose angle

Material:

Plastic body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
