**Overall Width:**

72.0 millimeters

**End Application:**

Navy specific

**Bodylength:**

170.0 millimeters

**Bodydepth:**

60.0 millimeters

**Product Name:**

Strainer, strum box

**Special Features:**

Item connection accepts 38 mm hose id; strainer plate easily removable for cleaning; adjustable port mounting for convenient hose angle

**Material:**

Plastic body

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A24000
