Inside Diameter:

Between 0.250 inches and 0.312 inches

Overall Width:

1.0 inches

End Application:

Engine outboard

Fastening Device Type:

Plain slotted head screw

Product Name:

Clamp worm gear

Material:

Stainless steel band

Style Designator:

Band w/holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
