**End Application:**

Engine maintenance stand

**Connection Type:**

Unthreaded tube w/formed end and unthreaded external pipe 1st end bulkhead

**Maximum Operating Pressure:**

4500.0 pounds per square inch 1st response

**Product Name:**

Adapter

**Special Features:**

1end od: 0.75 inches 2end od: 0.87 inches

**Material:**

Steel body

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A080b0
