End Application:
Engine maintenance stand
Connection Type:
Unthreaded tube w/formed end and unthreaded external pipe 1st end bulkhead
Maximum Operating Pressure:
4500.0 pounds per square inch 1st response
Product Name:
Adapter
Special Features:
1end od: 0.75 inches 2end od: 0.87 inches
Material:
Steel body
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A080b0
