End Application:

Engine maintenance stand

Connection Type:

Unthreaded tube w/formed end and unthreaded external pipe 1st end bulkhead

Maximum Operating Pressure:

4500.0 pounds per square inch 1st response

Product Name:

Adapter

Special Features:

1end od: 0.75 inches 2end od: 0.87 inches

Material:

Steel body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
