Overall Length:

0.484 inches

Tubing Outside Diameter:

0.750 inches

Tubing Inside Diameter:

0.656 inches

Product Name:

Ring, rigid tube connector, corrosion resistant steel

Special Features:

Largest o.D. 0.966 ; 2 x 37.0 degree taper; configuration control lockheed

Material:

Steel, corrosion resisting

Material:

Stainless steel

Style Designator:

Straight, taper two-way

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24200
