Inside Diameter:

0.620 inches

Overall Width:

0.600 inches

End Application:

5410-01-592-9463

Fastening Device Type:

Collared slotted head screw

Product Name:

Hose clamp

Material:

Stainless steel

Style Designator:

Band

Specification Data:

81343-sae j1508 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A12700
