End Application:

Mk8 v-comm

Product Name:

End cap

Special Features:

Normal chain weldment/trng. Closure assembly & detail

Material:

Nickel alloy

Material Specification:

00-n-281 assn standard single material response

Style Designator:

Cap

Supplementary Features:

1.31 dia. X .25 thk monel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A208a0
