Overall Length:

3.0 inches

Pressure Rating:

5501.0 pounds per square inch and 7500.0 pounds per square inch

Product Name:

Nipple-threaded inlet

Special Features:

Thread size: 0.250 npt

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
