Product Name:

Low pressure ss threaded pipe fitting-reducing coupling

Special Features:

1st end dia. 1.25 in, 2nd end dia. 0.375 in

Material:

Steel, corrosion resisting

Material:

Stainless steel

Style Designator:

N1 outside hexagon or octagon (partial or full thread optional)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T385-k
