Product Name:

Low-pressure ss threaded pipe fitting-reducing coupling

Special Features:

1st end diameter 1.5 in 2nd end diameter 1 in

Material:

Steel, corrosion resisting

Material:

Stainless steel

Style Designator:

N1 outside hexagon or octagon (partial or full thread optional)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T385-k
