**Product Name:**

Low pressure ss threaded pipe fitting-reducing coupling

**Special Features:**

1st end dia. 1.5 in 2nd end diameter 0.5 in

**Material:**

Steel, corrosion resisting

**Material:**

Stainless steel

**Style Designator:**

N1 outside hexagon or octagon (partial or full thread optional)

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T385-k
