**End Application:**

1905-01-154-1191 lcu-2000

**Product Name:**

External pipe patches

**Special Features:**

Description: jubilee pipe patching kit used to perform emergency repair to pipes external surface. For patching pipes ranging in size from 0.500 in., to 4.000 in.

**Reference Data And Literature:**

Tm 55-1905-223-10

**Supplementary Features:**

Pccn: c30504 x pcc: dqv

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A23800
