Shank Length:

11.000 inches

Shank Diameter:

7.063 inches

Angle In Deg:

90.0

End Application:

Overhead crane lcs3 launch/recovery handling system

Product Name:

Grease fitting

Extra Long Reference Number:

Cd62u2s-011.00-li01-p4ac-b-m2 item 6

Special Features:

Upright load pad; protective boot; brake motor (3 phase)

Reference Number Differentiating Characteristics:

As diferentiated by extra long reference number

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A14800
