End Application:

4940-01-601-1928; shop equipment, metal working

Basic Shape Style:

Round first quick disconnect end

Connection Type:

Grooved coupling first quick disconnect end

Outside Diameter:

1.000 inches

Coupling Size Accommodated:

0.250 inches first quick disconnect end

Product Name:

0.25 female qc x 0.375 male npt

Material:

Copper alloy

Surface Treatment:

Nickel

Style Designator:

Female coupling half

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A531t0
