**Shank Length:**

0.500 inches

**End Application:**

Specialty products

**Screw Thread Series Designator:**

Nptf

**Pressure Relief Method:**

Port end

**Width Across Flats:**

0.750 inches

**Thread Size:**

0.375 inches

**Product Name:**

Fitting assembly - straight

**Special Features:**

Item has 3/8-18 nptf x 1/4 inch push-to-connect ends

**Height:**

1.270 inches

**Material:**

Steel

**Style Designator:**

Straight

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A14800
