Connection Style:

Inverted flare (tube) all ends

Connection Type:

Threaded external tube all ends

Seat Angle:

24.0 degrees all ends

Nominallength:

34.0 millimeters

Product Name:

Gr straight reducer, eo 24 degrees cone end

Material:

Steel

Surface Treatment:

Zinc

Style Designator:

Inverted flare w/ center wrenching facility

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A080b0
