Inside Diameter:

Between 3.313 inches and 4.250 inches

Overall Width:

0.564 inches

Fastening Device Type:

Collared slotted head screw

Product Name:

Clamp, hose, breeze aero-seal

Special Features:

Item furnished with a safty collared screw

Material:

Steel comp 410

Style Designator:

Band

Supplementary Features:

Clamp iaw sae j1508, ty f standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A12700
