Maximum Operating Temp:

250.0 degrees fahrenheit single response

End Application:

4910-01-563-8425

Connection Type:

Threaded external pipe first quick disconnect end

Product Name:

Quick coupling female coupler

Special Features:

Part of hhrt, c7918; pressure rating, 6000 psi

Material:

Steel body

Thread Series Designator:

Nptf first quick disconnect end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531t0
