End Application:

4910-01-563-8425

Basic Shape Style:

Round all ends

Connection Style:

Hose gripping nipple all ends

Connection Type:

Air chuck quick disconnect all ends

Features Provided:

Reusable end fittings

Outside Diameter:

0.500 inches

Product Name:

Air fitting, female, 1/2 in quick release

Special Features:

Part of hhrt, c7918; used with mg7000

Media For Which Designed:

Air single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A531s0
