**End Application:**

4910-01-563-8425

**Basic Shape Style:**

Round all ends

**Connection Style:**

Hose gripping nipple all ends

**Connection Type:**

Air chuck quick disconnect all ends

**Features Provided:**

Reusable end fittings

**Outside Diameter:**

0.500 inches

**Product Name:**

Air fitting, female, 1/2 in quick release

**Special Features:**

Part of hhrt, c7918; used with mg7000

**Media For Which Designed:**

Air single response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A531s0
