**End Application:**

Helicopter utility air conditioning system

**Thread Qty Per Inch (tpi):**

D18 1st end

**Thread Size:**

0.63 inches 1st end

**Outside Diameter:**

0.75 inches 1st end

**Nominal length:**

1.85 inches

**Product Name:**

Bulkhead fitting (bulkhead union no.6)

**Special Features:**

Ds200 bulkhead fittings mate with sae female o-ring swivel hose connections referred to as tube-o; design allows for compatibility with ms28775-011 o-ring when used with r-134a refrigerant; uses an924-80 mating nut and an901-8a washer

**Style Designator:**

Coupling tube w/bulkhead union

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A080b0
