Inside Diameter:

Between 0.516 inches and 0.625 inches

Overall Width:

0.281 inches

Material Thickness:

0.024 inches

Fastening Device Type:

Ear clamped

Product Name:

Gap-free pinch hose and tube clamp

Special Features:

Item meets sae j1508; special tool required to install

Material:

Steel comp 304

Style Designator:

Adjustable band

Supplementary Features:

Pack of 25 when ordering

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
