Connection Type:

Threaded external tube all ends

Thread Size:

16.0 millimeters all ends

Outside Diameter Tube Accommodated:

0.75 inches all ends

Nominallength:

52.0 millimeters

Material:

Stainless steel body

Style Designator:

Flared and flareless w/ center wrenching facility

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
