End Application:

C5

Nominallength:

1.567 inches

Product Name:

Union, flareless; reducer

Material:

Steel comp 1137 or steel comp 1141

Material Specification:

Qq-s-633 federal specification single material response

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-416, type 2, class 2, color of type ii, must be of federal specification single treatment response

Style Designator:

Flared w/ bulkhead thread

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A080b0
