Overall Width:

10.000 inches

Body Height:

12.500 inches

Perforation Diameter:

1.250 inches

Filtering Media Design:

Perforated single filtering media response

Bodydepth:

7.375 inches

Product Name:

Model 123 bronze 150 lb flanged duplex strainer w/cover

Material:

Copper alloy body

Material Specification:

Astm b61 assn standard single material response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24000
