**Inside Diameter:**

Between 2.75 inches and 3.63 inches

**Overall Width:**

0.650 inches

**End Application:**

6115-01-591-1161

**Fastening Device Type:**

Plain hexagon head screw

**Product Name:**

Constant tension turbo seal clamp

**Special Features:**

Electro-polished

**Material:**

Stainless steel

**Style Designator:**

Band w/holes

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A12700
