Inside Diameter:

Between 2.75 inches and 3.63 inches

Overall Width:

0.650 inches

End Application:

6115-01-591-1161

Fastening Device Type:

Plain hexagon head screw

Product Name:

Constant tension turbo seal clamp

Special Features:

Electro-polished

Material:

Stainless steel

Style Designator:

Band w/holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
