End Application:

2355-01-641-6691

Connection Type:

Threaded internal pipe inlet

Nominallength:

57.0 millimeters

Product Name:

Fitting, fem seal lo

Media For Which Designed:

Fluid single response

Style Designator:

Threaded external rigid, threaded internal swivel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
