Connection Type:

Threaded internal tube 1st end

Outside Diameter:

12.0 millimeters 1st end

Product Name:

Female gauge adapter tube

Special Features:

Thread type is pf; thread size is 1/4; width across flat 19.0 mm

Material:

Steel comp 316 or steel comp 316l

Style Designator:

Grooved and flanged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
