End Application:

6115-01-561-7329

Connection Style:

Plain (pipe) 1st end

Connection Type:

Threaded internal pipe 1st end

Thread Pitch In Millimeters:

1.5 all ends

Flow Angle:

105.00 degrees

Thread Tolerance Class:

6h internal 1st end

Product Name:

Adapter, oil drain

Material:

Steel stud

Surface Treatment Specification:

Astm b633 assn standard single treatment response stud

Thread Series Designator:

M all ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
